Subject: Re: Linking parents to children Posted by smileyc on Tue, 29 Jul 2014 04:51:38 GMT View Forum Message <> Reply to Message

Hello, I almost have the same case but I am more interested on parents of children 15-24 years of age. Is there a way I can generate the mother and father years of schooling using the IR, MR, PR, and KR DHS recodes?

Would appreciate your advice on this. Thank you
