Subject: sdist variable in PDHS 2012-13
Posted by owraza on Mon, 04 Aug 2014 11:20:56 GMT

In PDHS 2012-13, a variable named 'sdist' lists frequency. Can someone help me in understanding what it is actually. Is it no. of EAs from each district or something else. I have reviewed record booklet from DHS (Standard Recode Manual For DHS 6), but it doesn't mention anything about 'sdist' variable.
