Subject: Re: Response rate and weights Posted by shreyaj7 on Thu, 20 Apr 2023 00:50:09 GMT View Forum Message <> Reply to Message

Thank you Tom so much for your response.

I am unable to locate a variable that tells whether the wife and husband are of the same caste or not. Do we not have that variable in NFHS-5 (India)?

Please let me know. If we do have which is the variable measuring this.

Thank you.
