Dear Tom Pullum,

I am waiting for your response. In IR file there is variable v501, married (women: v501 = 1),
Widowed (women: v501 = 3), Divorced (women: v501 = 4), Separated (women: v501 = 5) data
are available but never married (women: v501 = 0) data are not available. I need also this data of
v501=0. Kindly help me in this variable as well as my previous message that the variable of
women education.

Regards.
