Subject: MALARIA CONTROL VARIABLES FOR INDIVIDUAL AND COMMUNITY LEVELS IN NIGERIA MIS 2010 Posted by AMYOSTIC on Fri, 22 Aug 2014 19:10:52 GMT

View Forum Message <> Reply to Message

Hi,

Good day everyone. I will like to have specific variables of malaria control and treatment practices at individual and community level factors in the Nigeria Malaria Indicator Survey (MIS) 2010.

Thanking you in anticipation. Amyostic
