Subject: Re: missing caste / education variable on college education ?
Posted by mks9812 on Sun, 01 Oct 2023 17:39:39 GMT

Hello, I have an additional question regarding SES variables.

I am using variable v149, which is comprised as:
 -No education
 -incomplete primary
 -complete primary
 -incomplete secondary
 -complete secondary
 -higher

Is there a way to identify "college graduates completed" (undergraduates) in the India sample directly?

Many thanks,
