Subject: Re: Age at first first birth Posted by Janet-DHS on Fri, 19 Jan 2024 14:09:09 GMT View Forum Message <> Reply to Message

Following is a response from DHS staff member, Tom Pullum:

Age in DHS surveys always means age at last birthday. If you want to select women who had their first birth before their 18th birthday, you would use "keep if v212<18".
