Hello,

My understanding is that no GPS data were collected for South Africa (I see data for 1998 and 2016). Would you be able to share an Excel file that gives the district names?

I noticed that this was provided for Zambia in this thread:

https://userforum.dhsprogram.com/index.php?t=msg&goto=13766&&srch=zambia+district#msg_13766

Thanks.
