Following is a response from Senior Data Processing Specialist, Claudia Marchena:

Regarding Haiti SPA 2017-18 for "Improved water source":

Q330 in 1,2,10,12 or (Q330 in 3,4,5,7,9 & Q331 in 1,2)

Note from Claudia: category 12 in Q330 is included in the code. This country specific category was confirmed by the Implementing Agency as applicable. Unfortunately, it is missing in the footnote for table 3.3.

Regarding your question about Nepal SPA a response will be posted next week.
