Subject: Re: data mismatches Posted by jinexoxo on Wed, 12 Nov 2014 09:10:02 GMT View Forum Message <> Reply to Message

Hi Trevor!

I did the code you told me and it actually produced same results as the final report. Hmmmm, but how would I extract the observations necessary with the use of weights? 'coz I always get the unweighted sample.

Thank you for assisting me. :)
