Dear User,

You may want to read some of the other post regarding under 5 mortality for some insight. Start with [http:// userforum.dhsprogram.com/index.php?t=msg&th=142&start=0&S=8019308c0b1fe335aae675a1ce57d3bb](http://userforum.dhsprogram.com/index.php?t=msg&th=142&start=0&S=8019308c0b1fe335aae675a1ce57d3bb). There is also good information in the "Guide to DHS Statistics" [http:// dhsprogram.com/publications/publication-dhsg1-dhs-questionnaires-and-manuals.cfm](http://dhsprogram.com/publications/publication-dhsg1-dhs-questionnaires-and-manuals.cfm). If you still have questions, please feel free to post again.
