Hello,

I am working on DHS data set of Nepal of 1996, 2001, 2006 and 2011. My work needs to analyze on specific districts and villages of all these mentioned years. I could only get the Districts information in year 2006 survey. Could you please advice me on the procedure I could be able to retrieve District and Village information of Nepal of all these above mentioned years' surveys?

Thank you.
