Hi Everyone,

Thanks again for your interest in DHS's sampling and weighting webinar. The recording of the webinar is now available on our YouTube channel at:
<https://youtu.be/5UDPYLwWHIA>

The script for the presentations from Drs. Elkasabi and Pullum are uploaded here as well. We will be working on creating additional resource material in response to all the questions we received on Wednesday.

Thank you!

Erica, on behalf of the presenters and the entire DHS Program Staff
