Subject: local government area variable Posted by TitilopeB on Mon, 08 Jun 2015 12:38:21 GMT View Forum Message <> Reply to Message

Hello all,

I am currently analyzing the 2013 individual NDHS dataset. I want to perform analysis by local government area sampled for the 2013 Nigeria-DHS. The dataset i have has no value label for Iga. Kindly furnish me with the value labels or better still with a codebook.

Regards,

Titi
