Following is a response from Senior DHS Data Processing Specialist, Noureddine Abderrahim:

1- These questions correspond to the variables D105A .. D105N. However, not in the same order. V044 = 1 means that the domestic violence module was completed.
2- DV06 is not a valid question.
3- These are questions DV04A1, DV04B1, DV04C1.
4- Each phase of DHS might have different set of questions. Individual countries may include questions that are not part of the standard questions.
5- This question DV16 is recoded D115Y.
