Dear User,

In addition to Reduced-For(u)m's response, you might find Further Analysis 75 useful as well. Recommended by the survey manager, Dr. Anjushree Pradhan. It can be found on our website [http://dhsprogram.com/publications/publication-FA75-Further- Analysis.cfm](http://dhsprogram.com/publications/publication-FA75-Further-Analysis.cfm)

Thank you!
