Subject: Can one subject participate in more than one round of DHS? Posted by misha.monahov@gmail.com on Sat, 19 Sep 2015 10:03:11 GMT View Forum Message <> Reply to Message

Dear Sir,

do eligibility criteria for DHS participants include a requirement of not being a participant in previous DHS rounds? If not, then there is a chance that one person may participate in more than one round.

I've found this document - http://dhsprogram.com/pubs/pdf/FR75/07AppendixA.pdf - and it doesn't mention repeated participation.

If there are no such requirements, what could be a number of people participating in DHS more than once? Are there any estimates?

Thank you.
