Hello

Where can I find details of coding used for vcal_3?

Data set for PDHS 2012 - 13 has collected information on vcal_3 but there is no such column in Women's Questionnaire presented in the final report. In Individual recode documentation (see attachment) there are only three codes described for vcal_3, as:

VCAL(3)
T-Abortion
U-Miscarriage
V-Still births

Can you provide information on other codes that are present in PKIR61FL.DTA

Thanks
