Following is a response from Senior DHS Specialist, Guillermo Rojas:

Column 3 in the calendar is a country specific column for Pakistan 2012. The column is a copy of column 1 from the raw data file (as it was collected in the questionnaire, please see the questionnaire) and it has the following codes:

A-Abortion

C-Miscarriage

S-Still births

Please note that when using column 1, users need to refer to the codes as used in the questionnaire.
