Great! Thanks Dear Trevor,

I can see values are slightly higher (1= -.4374683, 2= -.4934267, 3= -1.127726, 4= -1.456142, 5= -1.672893, 6= -1.802239, 7= -1.752084, 8= -1.604335) is this okay or there is something else I have to fix? Thanks
