Hello,

I am working with Colombian DHS and I would like to directly contact the organisation which is conducting the DHS in the country (PROFAMILIA). In the DHS report there are two email addresses for correspondence:

evaluacion&investigacion@profamilia.org.co
investigacion@profamilia.org.co

However, none of these addresses work, when I send an email I get an automatic reply that the addresses do not exist.

Would you be able to give some more details on how to contact Profamilia given that the correspondence addresses provided in the reports do not seem to work?

Apologies if that is beyond the scope of the forum.

Many thanks,
Ewa
