See the DHS recode manual.

Values 100-199 are in days, e.g. 103 means 03 days, 121 means 21 days.

Values 201-299 are in months, e.g. 202 means 02 months.

Values 301-399 are in years, e.g. 304 means 04 years.
