Dear User,

Take a look at

V208 Total number of births in the last five years is defined as all births in the months 0 to 59 prior to the month of interview, where month 0 is the month of interview.

V209 Total number of births in the past year is defined as all births in the months 0 to 12 (not 0 to 11) prior to the month of interview.

V210 Total number of births in the month of interview
