Subject: Re: fiting cox model to neonatal mortality data Posted by Liz-DHS on Thu, 31 Oct 2013 18:35:39 GMT View Forum Message <> Reply to Message

## Dear User,

You may want to refer to the Guide to DHS Statistics on our website http://www.measuredhs.com/pubs/pdf/DHSG1/Guide\_to\_DHS\_Statis tics\_29Oct2012\_DHSG1.pdf The section on Infant and Child Mortality should be helpful. The document is bookmarked.
