Dear User,

Antenatal and prenatal care are one and the same. The questions pertain to the last birth.

Please look at Q408 in Section 4 of the woman's core questionnaire. Here is a link to our current standard core questionnaires

http://www.measuredhs.com/pubs/pdf/DHSQ6/DHS6_Questionnaires_5Nov2012_DHSQ6.pdf

The document is bookmarked.
