Thank you very much for the reply and link to the documentation.

Regardin the letter "E" in the calendar, could you specify then what the difference is between "E" and "P"? Usually "P" stand for pregnant but in the case of calendar for Peru both appear, sometimes within the same individual, for example (copied from the calendar):

*****1333EE333888333EEE333888333888333BPPPPPPPPP000000

in case of this individual there are both "E" and "P".

I will be grateful for your help.

Ewa
