Hello!

I did an analysis using the Philippines DHS 2013 and 2008. I'm planning to submit my paper for publication. However, the journal is asking for ethical approval. In this case, should I:

- 1. Submit my study for a separate ethical clearance OR
- 2. Just use the Philippines DHS 2008 and 2013 ethical clearance?

I'm a bit confused about this. Thank you very much for your feedback!

Yours,

Karlo
