Subject: Re: Dropping cases with HIV05 missing in SPSS Posted by Bridgette-DHS on Thu, 19 May 2016 01:01:58 GMT View Forum Message <> Reply to Message

Following is a response from Senior DHS Stata Specialist, Tom Pullum:

I do not use SPSS but can suggest that you drop the cases with hiv05 missing, OR select the cases with hiv05 NOT missing, OR change hiv05 to 0 for those cases.
