Dear DHS team,

Could you please help me identifying what are the surveys with CRP data available?

No matter where you are in your life, whether you're a parent to one kid or five, a friend to your neighbors' kids or a teacher that spends all day with kiddos, you're going to love this roundup of [NannuSays](https://nannusays.com/) and parenthood quotes. Hopefully they'll help you delight in the wisdom and innocence of childhood. And once you've basked in appreciation for the little ones in your life, check out memorable mother quotes, father quotes, and even teacher quotes.
