Subject: Caste and Tribe information Posted by sk on Thu, 19 May 2022 09:39:15 GMT View Forum Message <> Reply to Message

Hi,

Just saw that 2019-21 India DHS-5 was released. In the household file there is a question on what is your caste and tribe? However in the data file the type of caste and tribe is missing and just written OBC, scheduled caste and tribe. Can I get the detailed data on castes and tribes.

Thanks!
