Dear staff,

I'm wondering if it's possible to access the GPS data of the 2011 Rwanda Special survey? I know that it's not online, but I want to double-check here if there's a way to get it.

Thank you!

Best,  
Cheryl

Following is a response from DHS staff member, Tom Pullum:

We have checked, and I'm sorry to have to confirm that we DO NOT have GPS data for that survey.
