Hi,

Thank you so much for your response in previous posts. Really appreciate it. Is it possible to get the rural urban information for 2015 Nepalese SPA data? As i had extracted this information from GPS, I would like to ascertain if i am correct. Hoping for your response. Many thanks.

Hello,

Unfortunately, rural/urban designation was not collected in the 2015 SPA, so we do not have this data.

Best,
Sara
