Hello!

I hope you are doing well today!

Our team always double-checks our estimates and numbers from DHS sources and on this link: <https://dhsprogram.com/topics/wealth-index/Wealth-Index-Construction.cfm> -- it doesn't seem that DHS released the Wealth Construction information and data for NFHS-5 (aka India DHS 2019-21)

Is this a planned update soon? It would be very helpful to have!

Best,
Akhil

I've added the India DHS 2019-21 wealth index information to the wealth index construction page.
