Good day!

I am having a difficult time where to locate the spss data file for HIV Knowledge that supports Chapter 13 of NDHS Philippines 2022.I believe this is separate from HIV biomarker data that's why I'm only interested in the Survey Dataset.

Following is a response from DHS staff member, Tom Pullum:

The SPSS data for chapter 13 are in the IR file, PHIR82FL.sav. You are looking for survey-specific variables whose names begin with "s9".
