Dear DHS colleagues,
Is it possible to get a copy of the syntax file for DR Congo? I am interested in the asset variables used, especially the country-specific ones.

Thanks,
RHS

Dear RHS,
Are you referring to the DHS 2013-14 or a previous survey? If you are referring to the 2013-14, we will not be able to release that information until the final report is published and they have had their final seminar in-country.
Thanks!
Liz
