M3M Plots Manesar, offer a valuable investment opportunity in the heart of Gurgaon's rapidly expanding industrial zone. Spread across 140160 acres of a thoughtfully planned mixed-use township, this M3M new project features industrial plots in Gurgaon ranging from 400 sq. m. to 1800 sq. m., suitable for manufacturing units, warehousing facilities, and logistics operations.

Strategically located near the KMP Expressway and Pataudi Road Interchange, the project ensures smooth connectivity to NH-48 (DelhiJaipur Highway), DMIC(Delhi-Mumbai Industrial Corridor), Dwarka Expressway, and key zones like IMT Manesar and Delhi NCR.

Developed by M3M India, one of the most trusted names in real estate, this new industrial project in Gurgaon comes with a flexible 50:50 payment plan and expected possession within 2 years. With modern infrastructure, excellent location, and strong growth potential, M3M Industrial Plots in Manesar are ideal for businesses and investors seeking industrial land in Gurgaon or a future-ready asset near Delhi.
