Hello,

My research involves understanding the impact of labor migration in Nepal. The module on migration in the 2006 Nepal DHS asks destination of migrants. The household recode file, however, only contains an indicator (0/1) variable for whether the destination was Nepal, India or other country. I was wondering if it is possible to get information on actual destination of "other country" international migrants.

Thank you.

Rashesh

Dear Rahesh,

I have referred your post to one of our experts. We should have a response within a day or two. In the meantime, while we are waiting for a response, you can always contact the Implementing Agency. This information can be found towards the front of the final report on the citation page: Additional information about the 2006 NDHS may be obtained from Population Division, Ministry of Health and Population, Government of Nepal, Ramshahpath, Kathmandu, Nepal; Telephone: (977-1) 4262987; New ERA, P.O. Box 722, Kathmandu, Nepal; Telephone: (977-1) 4423176/4413603; Fax: (977-1) 4419562; E-mail: info@newera.wlink.com.np.
Thank you!
