Hello,

I am struggling to find variables about ultrasound test (questions n° 226, 229 and 237 in DHS V (NFHS3) questionnaire for India).

The only information I can get about this topic are in part 8.1.8 (p. 205-207) in the final rapport (NFHS-3). But I can not find any data.

Could someone help?

Thank you in advance.

Regards,

Nadia

Dear User,

Data on ultrasound was collected in the calendar.VCAL(6) Ultrasound conducted during pregnancy (column 2 in the questionnaire)

Y = Yes

N = No

? = Missing

see: "NFHS3 Supplemental Documentation [V52]" section: 2.4 Calendar (VCAL) Codes for more information

I am attaching two documents (distributed with the data) where you can find more information about the entire data set for India. Thank you for your post.
