Hello all,

Please how can I generate a variable for postnatal care utilization?

Thank you.

Dear User,

You may find some guidance by looking at the Guide to DHS Statistics.

http://www.measuredhs.com/pubs/pdf/DHSG1/Guide_to_DHS_Statistics_29Oct2012_DHSG1.pdf

The publication is bookmarked. The tab for "Postnatal Care" should be of some help to you. You may also want to refer to the Standard Recode Manual
