Dear Sirs,

In the results of Egypt's ever-married questionnaire of DHS 2008, how can I know to which district an interviewed woman belong? I can check the governorate, but I cannot find the district. I need to compare between reformed and non-reformed districts.

Thank you.

Sincerely,
Amira

Dear User,

Sorry for the delay in answering this query. I am afraid I mistakenly overlooked it. I am working on getting an answer and hope to get back to you within a day or two. Thank you for your patience.

Dear User,

After checking the questionnaire, found that we only collected the PSU (sample point) id and the governorate code. We do not have any documentation regarding the districts that the PSUs are in. Additional information about the 2008 EDHS may be obtained from the Ministry of Health, 3 Magles El Shaab Street, Cairo, Egypt; Telephone: 20-2-27948555 and Fax: 20-2-27924156.
