Hi - I am looking to find any citations/previous work that uses DHS's employment variables (e.g. section M71 and W71 variables) to estimate the informal employment sector. Any leads would be much appreciated. Thank you!

Dear User,

You can do a search on our website for "employment". You may be able to see if anything matches your interests. In the meantime, <http://dhsprogram.com/pubs/pdf/od57/od57.pdf> may have some of what you are looking for. I hope this helps.

Thank you!
