Hi,

I'd like to request a copy of the Ethical request and approval forms for the Ethiopia 2011 dataset, both from ICF and the local approval organization. I am working on a master's thesis and the school ethics committee requires both.

Many thanks in advance,  
Michelle

Hello,

I too would like to get a copy of Local Ethics clearance for EDHS 2011. I am also working on a dissertation using 2011 EDHS dataset. My London-based school's Ethics Committee requires a copy of the local Ethical clearance letter which unfortunately is not included in the final report of EDHS. Can some one help me with this?

Thank you in advance
