Hi,

I would like to be assisted with Stata command for calculating Myer's Index.

George Odwe

Dear User,

Please refer to http://paa2005.princeton.edu/papers/51225 a paper written by Dr. Tom Pullum using this method and also Methodological Report #5

http://www.measuredhs.com/pubs/pdf/MR5/MR5.pdf for some guidance.

Thank you!
