Dear Users,

I am working with NFHS-2 (1998-99) for India for my analysis. The data set has three surveys, Household, Women's, and Village Survey. But there is no supplemental documentation provided for any of these. I earlier worked with the NFHS-3 data set and it contained the supplemental documentation. It would be really helpful if you could provide me with the same. I am attaching the documentation for the NFHS-3 as a reference.

Thank You

Regards,

Vishakha

Supplemental Documentation is not available for the NFHS-2 (1998-99) for India. The only survey specific documentation available is within the zip files you downloaded: IAIR42.DOC.
