Hello there,

I need a Comparative Wealth Index for Uganda for the DHS 2006 and 2011. I am trying to justify results on the wealth index (hv270, v190) in my study. I received comments that I need to check whether these indicators are consisted with the incomes or consumption expenditure. That is why I think using the comparative wealth index would address that query. Thanks

Gabriel

Dear User,

Attached are the CWI coefficients for Uganda DHS 2006 and Uganda DHS 2011.

Thank you for your post. If you have additional questions, please feel free to post again.

Hi there,

I am kindly looking for an excel file with comparative wealth index coefficients for 2016 Uganda DHS. I will be grateful if you get this for me.

Kind regards,

Gabriel
