Subject: How to Generate individual number from an VPN
Posted by ttshetlho on Thu, 12 May 2016 10:05:37 GMT

Hi Guys

How to Generate individual number from an Visiting Point Number Automatically,
so that it can be linked to the HouseHold and Individual.

Regards,

Thabiso

Dear User,
Can you please be more specific? In your answer, please also provide which survey and dataset
you are analyzing. Thank you!
