I'm a new user of DHS and I'm having trouble finding a data set with polygyny related variables for subsaharan Africa, can anyone give me advice?

Dear User,

V505 Whether the respondent is in a polygynous union and the number of other wives the respondent's partner currently has.

BASE: Currently married or in union women (V502 = 1).

This information came out of The Standard Recode Manual <http://dhsprogram.com/publications/publication-DHSG4-DHS-Questionnaire-and-Manuals.cfm>

Thank you for your post.
