Hi,

I want to analyse the dynamic of contraception use using PDHS 12-13 data.

My question is how can I access calendar data set weather it is included in pkbr61sv.zip, pkir61sv.zip or in pkkr61sv.zip,

some one told me it is a separate file know as PKEV61SV . But web page survey data file I cant found this code.

Looking forward to help me in this regards

Fahad
