Subject: Marital status
Posted by lka035 on Tue, 31 Jan 2017 12:25:59 GMT

Kindly please delete this entry. I have managed to solve the problem
Apologies

Hello,

You can compare the date of first birth (v211) and date of first marriage (v509).

If v211<v509 -> first birth before marriage.

Be aware that some of these dates may be imputed.

Bruno
