Hi, I am planning to look at the obesity trend among women in Nepal. When will the 2016 DHS data be available?

Thank you.

Regard,  
Nan Xin

Dear User, A response from Dr. Anjushree Pradhan (survey manager),

Quote:

The data will be available in October 2017. The fieldwork ended in January 31, 2017.

The KIR will be released in last week of April 2017.

Dear all,

I just wanted to follow up on this question; I wondered if the survey data sets of the DHS Nepal 2016 are still scheduled for release this month?

If not, what is the planned date?

Thank you very much for your help!

Best regards,  
Sarah

Dear User,  
Data sets and final report are expected to be available in November 2017.  
Thank you!
